Aim to get farming work experience to build your CV as early as you can. This can involve: Seasonal work on a farm as a farm worker, fruit picker or stock person; Farming placements (this is best done on a rural farm not a city farm, as they have very different ways of doing things – and city farms are usually much smaller than rural farms too!)

Farm Educational Requirements. There are no formal qualifications required to start work on a farm; however, an interest in farming, gardening, caring for animals, protecting the environment and the countryside can help maintain an interest in farm jobs that involve a great deal of routine. Also, a good work ethic is a must.
