People buy more and buy more happily when in good humor. Understanding humor and being able to effectively use it for your sales and persuasion purposes is a powerful advantage--for any speaker, salesman or writer." Drawn from 30 years' experience as a popular professional speaker, author of 13 books, columnist and advertising copywriter, Dan Kennedy looks at humor as an instrument of persuasion and influence. Anyone--amateur--or pro--who must stand and deliver speeches, seminars, group sales presentations, serve as toastmaster, or write advertisements, sales letters or newsletters will find fodder here, to be faster on their feet, more confident and adept at being funny with a purpose. The book contains thoughtful insight but also simple shortcuts. Reading it, you'll get a better appreciation for the humor around you and humor professionals who entertain you, and you'll exit stage left with humor strategies and tricks you can use. Even if you're not all that funny. Note: this book contains adult material and may not be suitable for minors. Or for the easily offended. From the author. . . "I first titled this book "Mugging for Fun and Profit," but then thought better of it. Reminds me of Napoleon Hill being threatened by his publisher with the title 'Use Your Noodle To Get The Booodle,' which Hill transformed to 'Think And Grow Rich.' Overnight. The power of a deadline and desperation. And one of the all-time bestselling books on the subject of success the result. Anyway, unless you are just doing to hit 'em over the head and drag them out into the desert to empty their pockets, I'd suggest, you need to know how to make 'em laugh.

Your plain-English guide to Judaism Whether you're interested in the religion or the spirituality, the culture or the ethnic traditions, Judaism For Dummies explores the full spectrum of Judaism, dipping into the mystical, meditative, and spiritual depth of the faith and the practice. In this warm and welcoming book, you'll find coverage of: Orthodox Jews and breakaway denominations; Judaism as a daily practice; the food and fabric of Judaism; Jewish wedding ceremonies; celebrations and holy days; 4,000 years of pain, sadness, triumph, and joy; great Jewish thinkers and historical celebrities; and much more. Updates to the "recent history" section with discussions of what has happened in the first decade of the twenty-first century including: the expansion of orthodox political power in Israel; expansion of interfaith work; unfortunate recent anti-Semitic events; and other news Expanded coverage of Jewish mysticism and meditation, which has become increasingly popular in recent years New coverage on Jewish views of morality, including birth control, homosexuality, and environmental concerns Revised recipes for traditional Jewish cooking, updated key vocabulary, and Yiddish phrases everyone should know Jews have long spread out to the corners of the world, so there are significant Jewish communities on many continents. Judaism For Dummies offers a glimpse into the rituals, ideas, and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far-reaching as across the world. Judaism For Dummies (9781119643074) was previously published as Judaism For Dummies (9781118407516). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

Let no more be heard of confidence in man, but bind him down from mischief by the chains of the Constitution. Thomas Jefferson The United States Constitution the bedrock of our country, the foundation of our federal republic is . . . dead. You won't hear that from the politicians who endlessly pay lip service to the Constitution. It's the dirty little secret that bestselling authors Thomas E. Woods Jr. and Kevin R. C. Gutzman expose in this provocative new book. The fact is that government officials Democrats and Republicans, presidents, judges, and congresses alike long ago rejected the idea that the Constitution possesses a fixed meaning limiting the U.S. government's power. In case you've forgotten, this idea was not a minor aspect of the Constitution; it was the document's very purpose. Woods and Gutzman round up the suspects responsible for the death of the government the Founding Fathers designed. Going right to the scenes of the crimes, they dissect twelve of the most egregious assaults on the Constitution some virtually unknown. In chronicling this "dirty dozen" the authors show that the attacks began long before presidents declared preemptive wars, congresses built pork-barrel bridges to nowhere, and Supreme Court justices began to behave as our supreme legislators. In Who Killed the Constitution? Woods and Gutzman REVEAL the federal government's great gold robbery the flagrant assault on the Constitution you never heard about in history class DESTROY the phony case for presidential war power EXPOSE how the federal government has actively discriminated to end . . . discrimination TEAR DOWN the wall of separation between church and state an invention that completely contradicts what the Constitution says DARE to touch the third rail of American jurisprudence. Brown v. Board of Education showing why a government decision that seems "right" isn't necessarily constitutional Never shying away from controversy, Woods and Gutzman reveal an unsettling but unavoidable truth: now that the federal government has broken free of the Constitution's chains, government officials are restrained by little more than their sense of what they can get away with. Who Killed the Constitution? is a rallying cry for Americans outraged by government run amok and a warning to take heed before we lose the liberties we are truly entitled to.

From #1 Amazon, New York Times & USA Today bestselling author Gemma Halliday comes an average day in an average high school that suddenly turns deadly... When Hartley Grace Featherstone heard the rumor that her boyfriend, Josh, was playing "hide the porn-porns" with the president of the Herbert Hoover High Chastity Club, she was crushed. When she found proof of his cheating, she was downright angry. But when she found the dead body of Miss Chastity herself, Courtney Cline, shoved into her boyfriend's closet, Hartley was something else altogether... scared for her life. Now Hartley's boyfriend Josh scratch that, ex-boyfriend is the #1 suspect in a murder, the police are watching Hartley's every move, and the only thing spreading faster than the gossip about Hartley is the fear that someone else at school may be next. Along with her faithful best friend and an unlikely ally in the bad-boy editor of the school paper, it's up to Hartley to find out who really offed her school's queen of mean. Before Hartley becomes the killer's next victim. Hartley Grace Featherstone Mysteries: Deadly Cool book #1 Killer Looks book #2 Wicked Games book #3 "Irreverently funny voice... wicked pace... explosive conclusion!" ~ Booklist "Halliday balances the comedy and suspense notes well, keeping her characters intriguing and her narrative bright. Suspenseful fun." ~ Kirkus Reviews "This fun and outrageous mystery is a perfect mix of humor and horror that will have readers laughing while they try to figure out 'whodunit.'" ~ School Library Journal "I absolutely adore this series and these characters... it's smart, funny and full of heart." ~ The Book Life Rating: This book does not contain any scenes with graphic gore, violence, or sexual content. Its rating would be similar to a PG13 movie or Hallmark Channel mystery. Themes encountered by real teens are explored (including teen sex vs. abstinence), while keeping the overall rating and content appropriate for younger- and pre-teens. Consequences are shown for behaviors, and negative actions are not glorified.

Long out of print and now published together for the first time, these three volumes of autobiography of the Cornish author and schoolteacher Anne Treneer cover the period from her birth at Gorran in 1891 to her retirement from teaching in 1948. The first volume, School House in the Wind, covers her early childhood in Cornwall until 1906. Cornish Years takes her to Truro, Exmouth and Exeter, and from there to Camborne, Liverpool and Lady Margaret Hall, Oxford. A Stranger in the Midlands covers the years between 1931 and 1947, when she taught at King Edwards High School for Girls in Birmingham. As well as a substantial introduction, the book includes a short biography of Anne Treneer, continuing her story to her death in 1966, and a descriptive bibliography of her writings.

For every action there is an equal and opposite reaction. But when it comes to human emotions, the reaction is never equal. No one understands this lesson better than the partners at the prestigious accounting firm of Winscott & Associates. Greed, power, money and sex left six people dead and four in the hospital. Audra Tanner never realized how far and deep the ripple she created in her revenge pool would extend. Now as the dust settles on the explosion that rocked not only her life, but the lives of countless others, Audra must fight to gain control over her life. Because others are out to end it.

The rapid spread of managed care into public and community mental health systems is creating a dramatic transformation of traditional public sector settings. This radical change is affecting administrators, managers, and clinicians. Intended as a survival manual, this book begins with an overview of the history, concepts, ideology, and ethics of public sector managed care and then proceeds in focus from system to program management to clinical program levels. With a concluding section on advocacy, evaluation, research, and training issues, Managed Mental Health Care in the Public Sector examines how public sector managed mental health care can be approached with a positive spirit, an excitement about the potential to create dramatic and beneficial system changes, and a genuine interest in investigating the relative merits of every aspect of managed care systems.

The latest version of this perennial favorite, in-depth, reference-tutorial This top-selling book has been updated by AutoCAD guru and author Ellen Finkelstein to provide you with the very latest coverage of both AutoCAD 2012 and AutoCAD LT 2012. It begins with a Quick Start tutorial, so you start creating right away. From there, the book covers so much in-depth material on AutoCAD that it is said that even Autodesk employees keep this comprehensive book at their desks. A DVD is included that features before-and-after drawings of all the tutorials and plenty of great examples from AutoCAD professionals. Explains in depth both AutoCAD 2012 and AutoCAD LT 2012 Written by Ellen Finkelstein, a long-time AutoCAD instructor and very popular author of many editions of the AutoCAD Bible Starts with a tutorial on AutoCAD 2012 that covers the basics of creating drawings, using commands, and specifying coordinates Builds on early chapters to cover more complex 2D and 3D drawing techniques Discusses advanced topics such as customization and programming AutoCAD using AutoLISP and VBA Features a DVD with before-and-after drawings for each tutorial, and more If you're eager to create 2D and 3D technical drawings with AutoCAD 2012, the AutoCAD 2012 and AutoCAD LT2012 Bible is what you need!

A waitress and part-time director of a women's ministry, Harriet Bisset--once armed with a gutter mouth and a penchant for alcohol--meets her match in the new church consultant who rides into town on a motorcycle.
