In this book, Joseph Benner points the reader towards those heights of self-knowledge and self-conquest which, rising above the turbulence of the world, lift their peaks where the Heavenly Silence reigns. Topics include: mental attitude, self-discipline, the uses of temptation, I AM, the use of reason, the glorious conquest, and more. This book has been custom formatted for digital devices and checked for typos.

The classic of practical mysticism is published with four bonus works in this handsome signature edition. Since it first appeared in 1914, *The Impersonal Life* has touched hundreds of thousands of readers. Its simple meditative message teaches you, step by step, to realize that your own consciousness is one with all of Creation—that you are an outlet of Divine will. Once that extraordinary truth is understood, your wishes become one with God, and your life unfolds in a meaningful, exuberant mosaic in which your fondest hopes and highest purposes are realized. Written anonymously by American mystic Joseph S. Benner (1872-1938), *The Impersonal Life* is one of the modern landmarks of New Thought and mystical spirituality. As a special bonus, this edition includes four of Benner's most powerful essays: *The Way Out*; *The Way Beyond*; *Wealth*; and *The Teacher*. Here is a complete journey into the work of a spiritual genius and practical mystic.

This carefully crafted ebook: "THE IMPERSONAL LIFE (Unabridged) " is formatted for your eReader with a functional and detailed table of contents. Joseph Benner (1872 – 1938) was an American author, Spiritual writer, and Representative of the Brotherhood of Christ who used the pen name "Anonymous." He was the first to introduce the Knowledge and Teachings of the Impersonal Life (also known as the "I AM" Teaching) to the world in his first book, "The Impersonal Life". Benner taught that Christ's proclaiming "I AM" indicated "the true spirit that resides in every human being." In the 1960s Elvis Presley was introduced to Benner's work by his guru, Larry Geller. In the last 13 years of his life, Presley gave away hundreds of copies of the book, *The Impersonal Life*. A copy was allegedly with him on the night he died.

The Trinity is a doctrine unique to Christianity. No other faith, religion, sect, or philosophy that advocates one God also proclaims that God is Three-in-One. This apparent paradox does not mean there are 'three gods in one,' but that one God exists as three persons who are coequal, coinfinite, and coeternal, all possessing the same essential nature. God is one in essence, but three in persons. The Trinity is not abstract theology, but a practical doctrine that you should comprehend. Your understanding of the plan God the Father has designed for you illuminates your destiny in time and eternity. Your understanding of the person and work of Jesus Christ illuminates your so-great salvation. Your understanding of the Holy Spirit

affects your concept of living the Christian life. Only by perceiving the true biblical perspective of the Trinity can you come to love God, grow spiritually, and fulfill your very own spiritual life.

More than a quarter-century after his death, James Baldwin remains an unparalleled figure in American literature and African American cultural politics. In *Who Can Afford to Improvise?* Ed Pavli offers an unconventional, lyrical, and accessible meditation on the life, writings, and legacy of James Baldwin and their relationship to the lyric tradition in black music, from gospel and blues to jazz and R&B. Based on unprecedented access to private correspondence, unpublished manuscripts and attuned to a musically inclined poet's skill in close listening, *Who Can Afford to Improvise?* frames a new narrative of James Baldwin's work and life. The route retraces the full arc of Baldwin's passage across the pages and stages of his career according to his constant interactions with black musical styles, recordings, and musicians. Presented in three books — or movements — the first listens to Baldwin, in the initial months of his most intense visibility in May 1963 and the publication of *The Fire Next Time*. It introduces the key terms of his lyrical aesthetic and identifies the shifting contours of Baldwin's career from his early work as a reviewer for left-leaning journals in the 1940s to his last published and unpublished works from the mid-1980s. Book II listens with Baldwin and ruminates on the recorded performances of Billie Holiday and Dinah Washington, singers whose message and methods were closely related to his developing world view. It concludes with the first detailed account of “The Hallelujah Chorus,” a performance from July 1, 1973, in which Baldwin shared the stage at Carnegie Hall with Ray Charles. Finally, in Book III, Pavli reverses our musically inflected reconsideration of Baldwin's voice, projecting it into the contemporary moment and reading its impact on everything from the music of Amy Winehouse, to the street performances of Turf Feinz, and the fire of racial oppression and militarization against black Americans in the 21st century. Always with an ear close to the music, and avoiding the safe box of celebration, *Who Can Afford to Improvise?* enables a new kind of “lyrical travel” with the instructive clarity and the open-ended mystery Baldwin's work invokes into the world.

Can Christian belief in God, a contemporary scientific approach to human life, and human experience all be held together? Yes, says Jan-Olav Henriksen, who in this book shows how such a synthesis can be realized. Taking both knowledge of evolution and belief in God as Creator into account, Henriksen's *Life, Love, and Hope* articulates a vision for understanding the relationship between God and human experience in contemporary terms. Henriksen maintains that evolutionary theory does not account for all that can and must be said about human life and experience. Conversely, he also argues that any belief in God as Creator can be informed and deepened by knowledge of evolution. This thoughtful, nuanced book develops a comprehensive vision that will appeal to anyone who ponders the relationship between God and science.
